PROTEAS DO A BAN

Kaif blitz sets up commanding

Dhaka, April 13: Young Mohammed Kaif led a merciless batting onslaught with an unbeaten 95 as India put up a commanding show to steam-roll South Africa with a comprehensive 153-run victory in the TVS Cup tri-series on Sunday. Kaif and left-handed Dinesh Mongia (55 not out) plundered runs at will in the slog overs to steer their team to a mammoth 307 for four after electing to bat on a good batting track.

Captain Sourav Ganguly provided the early sparks with a controlled 75. Required to score at more than six runs per over, the South Africans never recovered from

the early jolts and were bundled out for 154 in 34.5 overs to give the Indians their second consecutive victory in the series. The Indian bowlers kept the pressure on the Proteas by bowling a nagging line and length under floodlights to supplement the good work done by the batsmen. Kaif and Mongia set the Bangabandhu Stadium ablaze with an amazing display of strokeplay during their rocking unbeaten 110-run fifth wicket partnership which left their opponents in a daze.

Kaif struck seven boundaries and three sixes in his knock which came off 103 balls while Mongia was more

severe as he scored his 55 in just 38 balls.

The South African run chase began on a disastrous note as they lost skipper Graeme Smith in the very second over of the innings with Ajit Agarkar providing the vital breakthrough.

Smith, the youngest ever South African captain, edged an incoming delivery on to his stumps after scoring just one run. Jacques Rudolph, who joined the action after his captain's departure, did not survive long falling prey to the wily Agarkar with Virender

Sehwag taking a brilliant catch at first slip.

The two quick wickets left South Africa gasping at 13 for two by the fifth over forcing Herschelle Gibbs and Boeta Dippenaar to play cautiously against the Indian speedsters.

The two put on 42 runs for the third wicket before the South African batsmen made a beeline back to pavilion even though Zaheer Khan had pulled out of the attack with a hamstring injury.

Harbhajan Singh, who was introduced into the attack in the 14th over, struck in his very first over by getting rid of dangerman Gibbs (26) who offered a simple return catch. Dippenaar joined him in the pavilion soon after. (PTI)

We must all play to our full potential, says skipper Ganguly

Dhaka, April 13: (pti) Though satisfied with his team's performance on Sunday, Indian captain Sourav Ganguly urged his boys to tighten up little things and do full justice to their potential.

The Indian captain said the team played very well to defeat South Africa by 153 runs, a margin that "surprised" him, but felt there were quite a few areas which needed improvement. He is particularly livid at the manner in which his deputy Virender Sehwag gave away his wicket and said a player of his potential should be doing much better. "He played a very poor shot at that stage. He is definitely capable of doing better. I think he is not utilising his potential to the full. He should be getting bigger scores," Ganguly said.

Asked to comment on South African captain Graeme Smith's decision not to bowl Shaun Pollock till the 20th over, Ganguly said, "it's a new team and they may have wanted to try out new things. That is what I think." He was not ready to dismiss the South

Nehra to be operated on April 17

Wright returns to Indian camp

Rohtak, April 13: Left-arm pacer Ashish Nehra, who was forced to miss the ongoing tri-series in Dhaka due to a troubled knee, will undergo a surgery next week which will keep him out of action for three months.

Nehra, who was the toast of the side for his fine bowling in the World Cup in South Africa where India finished runners-up behind Australia, said here that his knee-joint will be operated upon on April 17.

Saying that he needs at least three months rest after the operation, Nehra hoped he would be completely fit to take the field after that and available for selection to the national side. Nehra was one of the five members of the World Cup team who opted out of the tri-series in Dhaka for various reasons. (PTI)

Dhaka, April 13: Indian coach John Wright joined the team in Dhaka on Sunday a few hours before its match against South Africa in the TVS Cup tri-series. Wright did not travel with the team due to the death of his father but had indicated that he would be with the team for the second match.

Earlier BCCI had appointed Ashok Malhotra, the coach of India A team, as the in-charge of the team in the absence of Wright. Malhotra will, however, stay with the team till the end of the tournament.

Wright's two-year contract had ended after the World Cup but the BCCI extended his contract by another two months. Wright is all set to get a one-year extension as indicated by BCCI president Jagmohan Dalmiya. A final decision on this would be taken by the Board's working committee meeting later this month. County stint beckons 3 cricketers

London, April 13: Three of the top-notch Indian cricketers will represent various sides in the Frizzell county championship commencing on Friday.

Dashing opening batsman Virender Sehwag will play for Leicestershire while off-spinner Harbhajan Singh will represent Lancashire. Medium pacer Javagal Srinath will play for Durham besides assisting the side as a bowling coach Srinath, who played for Leicestershire last season, will be reaching here on April 21. (PTI)

Elite C finally clinch title

DULEEP TROPHY

Kochi, April 13: Elite C clinched the prestigious Duleep Trophy by virtue of its 104-run first innings lead against Plate B after their match had ended in a tame draw at the Jawaharlal Nehru International Stadium here on Sunday.

Resuming at their overnight score of 309 for 9, Plate B batted for 13 more minutes this morning before being all out for 322. Vijay Bharadwaj, who waged a lone battle to remain overnight unbeaten on 94, duly completed his well deserved century with a huge six off medium pacer Siddarth

Trivedi in the very first over of the morning. However, Trivedi had the last laugh when he had the batsman edging to wicket-keeper Pankaj Dharmani after adding five more runs. Bharadwaj's knock of 105 had consisted of 10 hits to the fence and a six and had come from 251 deliveries.

The Plate B innings ended at 322 conceding a first innings lead of 104 runs.

With the match becoming a mere formality after the first

innings lead was decided, Elite C in their second essay scored 167 for 7 before declaring the innings in the sixth mandatory over and the match was called off.

Kiran Pawar batted fluently for Elite C in their second venture and scored 50 consisting of 7 boundaries while Jyoti Yadav contributed 23, Dharmani 23 and Hemang Badani 23. Leg-spinner Narendra Hirwani was the pick of Plate B bowlers claiming 4 for 49 while left-arm spinner Sreekumar Nair took 2 for 43. (PTI)

Bhupathi-Mirnyi duo clinch title

New Delhi, April 13: India's Mahesh Bhupathi and Max Mirnyi of Belarus won the men's doubles title of the \$665,000 ATP Tour tennis event in Estoril, Portugal, defeating Lucas Arnold and Mariano Hood of Argentina 6-1, 6-2 in the final.

The win on Saturday gives Bhupathi his 27th career title and the second partnering Mirnyi after the US Open win last year. Incidentally, this is also Bhupathi's first title after the Grand Slam crown.

Besides the prize money of \$25,300, the winners also gain 35 race points which should help them move up from the abysmal position of 41 in the double race. The combination with the Belarussian has worked well for Bhupathi.

In Mirnyi, he has found statistically the best partner after Leander Paes. So far, Bhupathi has paired with Mirnyi on 13 occasions and reached the finals six times. He began the current season with Joshua Eagle of Australia but soon realised that they were not gelling and talked Mirnyi back to their successful bonding.

The Estoril clay should hold a special place in both the players' hearts since it was here last season that both came together for the first time at an ATP event.

It should be recalled that the differences between India's most successful doubles pair Leander Paes and Mahesh Bhupathi touched newer heights after the recent controversy over player's association. (PTI)

EAST BENGAL	3
INDIAN BANK	0

BY OUR CORRESPONDENT

Kolkata, April 13: East Bengal advanced a step towards the title this season, thrashing Indian Bank 3-0 in 7th Oil PSU National Football League tie at the Salt Lake Stadium.

With 46 points in their pocket, the red-and-gold brigade is expected to have their title winning crucial encounter against Vasco SC, the second spot holder so far, on April 25 at home. Mike Okoro, the Nigerian striker who has probably been playing his final season in India struck twice while Brazilian defender Douglas D' Silva added another from an excel-

lent 20-yard direct free-kick in the 53rd minute. Mike's opening goal came in the 15th minute.

Chandan Das sent a high lob from the middle, towards advancing Mike inside the box. The subtle striker trapped it superbly on his chest and then had Sudhakar in his stride inside the box and flicked past the goalkeeper neatly.

NFL

Mike struck his second one in the 85th minute from a Malswama Tuluwanga through from the right.

The Kolkata outfit, barring a few occasions, failed to perform up to the mark. In another tie, JCT's title hopes suffered a serious jolt when they lost 1-3 to Dempo Sports Club, Goa in a crucial 20th round match at Ludhiana.

African pace attack which put up a disappointing show on Sunday.

"It's too early to judge them on the basis of one performance. The conditions were tough for the bowlers. They have a young side and it will take some time for them to adjust," he said. Ganguly said bowling under lights did favour his team on the slow track as the spinners obtained some turn. "It was a slow wicket and it did turn a little bit in the evening. But then, Harbhajan can turn the ball on most wickets." Smith, leading his country for the first time, said his players made a number of mistakes and it was of utmost importance that they learn from those mistakes quickly. "We have a young team and we are going through a transition phase. There is bound to be some mistakes," Smith said. (PTI)
